09/15/2020		American Honda Motor Co.	**Manufacturer Safety-related recall issued** - NHTSA #20V-026 - Recall #D8J Honda Multi-Model NADI Airbag Inflator - Safety Recall - Status: Remedy Available Locate an authorized Honda dealer to obtain more information about this recall - Learn more about this recall

Description: American Honda Motor Co., Inc. (Honda) is recalling certain model year 1998-2000 Accord Coupe and Accord Sedan, 1996-2000 Civic Coupe, 1998-2000 Civic Sedan, 1997-2000 CR-V, 1997-1998 EV Plus, 1998-2000 Odyssey, and 1998-1999 Isuzu Oasis vehicles. These vehicles were equipped with Non-Azide Driver Airbag Inflators (NADI) and do not contain phase stabilized ammonium nitrate (PSAN) propellant. Due to a manufacturing issue, the NADI inflators may absorb moisture, causing the inflators to rupture or the airbag cushion to underinflate.

In the event of a crash necessitating airbag deployment, an inflator rupture may result in metal fragments striking the driver or other occupants. An underinflated airbag cushion may not properly protect the occupant. These scenarios increase the risk of serious injury or death.

Remedy: Please call any authorized Honda dealer and make an appointment to have the driver frontal airbag inflator inspected and, if necessary, replaced with an inflator of a different design for free. For additional questions or to get help locating a dealer, owners may contact American Honda's Customer Support & Campaign Center at 1-888-234-2138.

Glossary

First Owner
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall
Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

New Owner Reported
When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
